1st September 2004

Ripper Reunion 2004 - Bulletin No 2

Responses are starting to come in and at the present indications are that we will have well in excess of 100 participants.

Some people may have been missed in our original mail/email out for a number of reasons and we are awaiting replies from many who have indicated that they will be attending.

If you have not received information to date and would like to attend or at least be known and receive whatever documentation is generated out of the weekend please contact us at the Ripper Reunion 2004 address/email address below.

The reunion has been publicized in the Cornish family history magazine, the weekly times and on ABC radio and a number of people have been in touch through those contacts.

We would encourage any family members with memorabilia which they may be able to display or share (copy photograph etc.) let us know in advance so that as much of the work as possible can be done well prior to the weekend.

Local accommodation is still available with some family members (please ask) or at the Stratford Motel (03) 5145 6500 or the "Top Tourist" Caravan Park Stratford (03) 5145 6588.

Registrants to date include Rippers from UK, Canada, Victoria, N.S.W, Qld, N.T, and S.A. with possibilities still from Tasmania. Information has been provided by a number of the descendants of William Ripper from W.A.

It's not too late so if you are able please register now, or at least tell us about yourselves and your Ripper ancestors so that links can be made even for people who are unable to attend.

Please continue to spread the word and the invitation which can be downloaded from the website.
